1 [] OVERVIEW

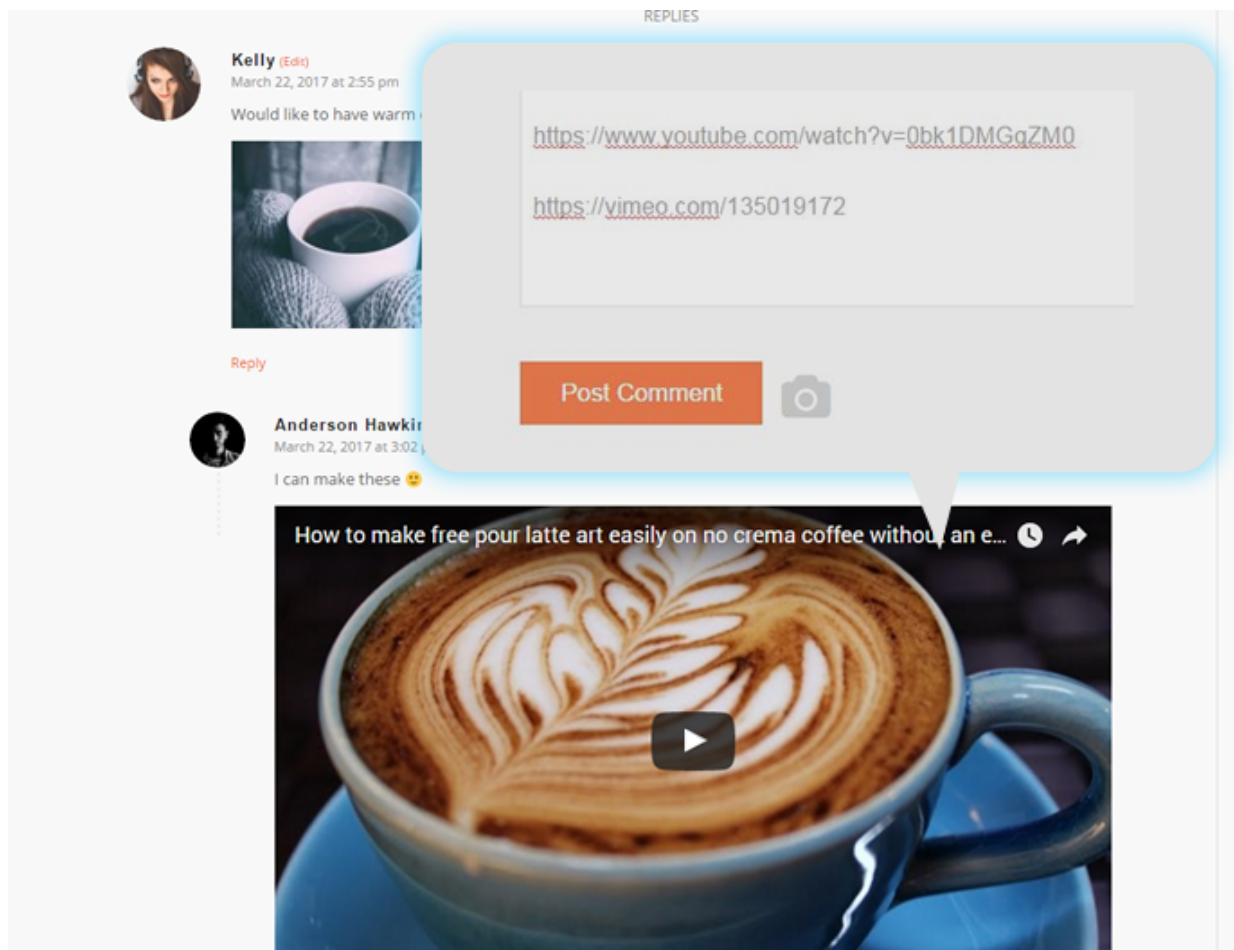

1.1 [] How to Use?

After installing the plugin (User Guide [here \[https://www.superstorefinder.net/wpcomments-image-videos/user-guide/#document-11\]](https://www.superstorefinder.net/wpcomments-image-videos/user-guide/#document-11)), your standard WP Comments will be transformed to have a photo upload icon to allow you to upload you image from your local computer or mobile devices.

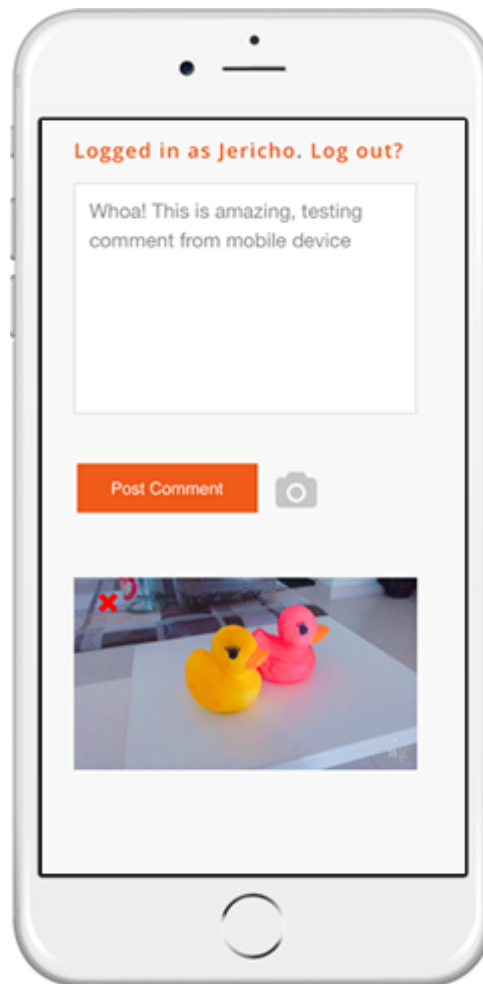

[\[https://www.superstorefinder.net/wpcomments-image-videos/wp-content/uploads/2017/03/photoupload.png\]](https://www.superstorefinder.net/wpcomments-image-videos/wp-content/uploads/2017/03/photoupload.png)

By pasting the url of popular video sites such as YouTube, Vimeo, and many others, the comment section will automatically displays these video content where users can play the video without having to visit third party sites.

[\[https://www.superstorefinder.net/wpcomments-image-videos/wp-content/uploads/2017/03/video.png\]](https://www.superstorefinder.net/wpcomments-image-videos/wp-content/uploads/2017/03/video.png)

The comments functionality works perfectly well on mobile devices and tablets.

[\[https://www.superstorefinder.net/wpcomments-image-videos/wp-content/uploads/2017/03/mobile.png\]](https://www.superstorefinder.net/wpcomments-image-videos/wp-content/uploads/2017/03/mobile.png)

You can change the **size of the thumbnails** and also change the **caption labels** of the **tooltip** via the admin settings page, which the user guide available [here](#).

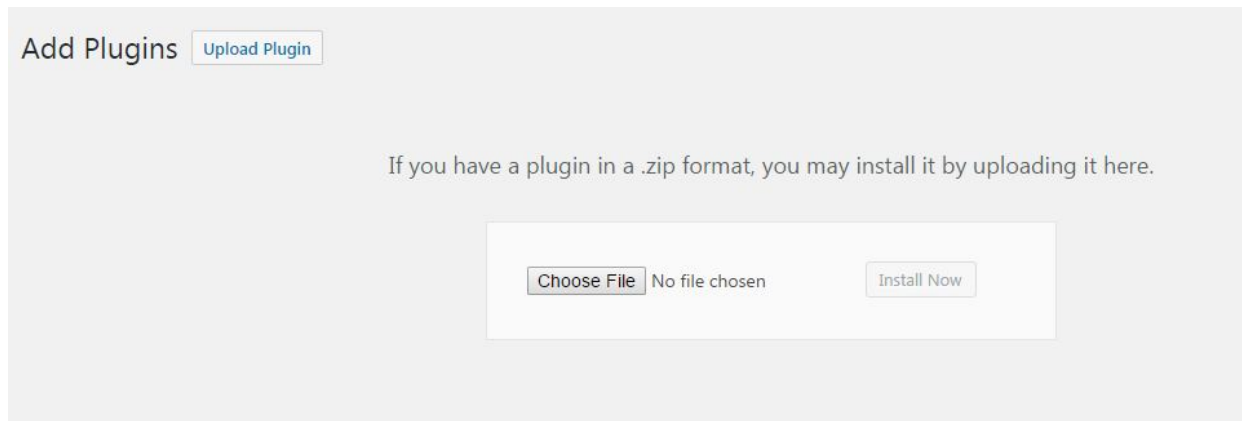

This plugin also supports multi-language which has language files that can be integrated with WPML plugins
